SPRING 2021
FREE | OPEN TO ALL STUDENTS

Virtual Veterinary Forensics Rounds

Ready to learn about the field of veterinary forensics from the comfort of your own home?

WHO
Virtual rounds are open to veterinary students, law students, and other students (including professional, masters, and doctoral). Rounds are conducted by veterinary forensic specialists from different universities, agencies, and private practices.

WHEN
Forensic rounds are held the second Wednesday of each month from 7:00 to 8:00 p.m. EST. Log in from anywhere in the world. First session in January 13, 2021.

HOW
Email Dr. Stern to register: adamstern@ufl.edu
